STM Traffic / Safety Notice No. 1406

TITLE: PROHIBITION ON USE OF PART OF THE CROSSOVER

DATE OF OPERATION: 7/ 09 / 2014

The Scissors Crossover SE points on the Eastern track are not to be used for any facing movements either continuing towards Sutherland on the Eastern track or crossing to the Western track using the Crossover. This is indicated on the diagram alongside.

DETAILS OF NOTICE.

On advice from the Chief Engineer, Richard Clarke, The SE points have been placed out of use for **ALL FACING** movements. Tramcars can still proceed through these SE points if proceeding from the NW points on the Western track to the Eastern track. This Notice 1406 supersedes Notice 1404.

The Eastern Track has now been returned to service and can be used in the DOWN (towards RNP only) direction. **Crew to ensure all trams carry a point bar to operate the Pitt Street crossover points.**
