TRAFFIC / SAFETY NOTICE

STM Traffic / Safety Notice No. 1501

TITLE: Working on Overhead at STM

DATE OF NOTICE: 24 / 05 / 2015

DETAILS OF NOTICE:

Due to an accident at STM with persons working on the overhead from a tower truck.

ALL future work MUST be conducted in the following manner:

If working on a curve, the overhead crew working on the platform MUST either work from the outside of the curve or ensure the overhead wire is tied to a pole before working the wire. This is to ensure that if the overhead wire becomes loose from the ear it will not injure the workers.

UNTIL FURTHER NOTICE: The tower truck is not to be used for overhead work except in case of emergency.
